Questions and Answers from Email

Question 1. How many portable toilets will be needed at one time?

Answer 1. Parking and Transportation currently has 2 portable toilets that are serviced, however in the event of an emergency or special event, VCU may request portable toilets to be delivered depending on the size of the emergency or special event and VCU's needs at that time.

Question 2. How many handicap toilets will be needed?

Answer 2. Parking and Transportation does not require any handicap toilets, however in the event of an emergency or special event, VCU may request handicap toilets to be delivered depending on the size of the emergency or special event and VCU's needs at that time.

Question 3. How many sinks will be needed?

Answer 3. Parking and Transportation does not require any sinks, however in the event of an emergency or special event, VCU may request sinks to be delivered depending on the size of the emergency or special event and VCU's needs at that time.

Question 4. How many portable showers will be needed?

Answer 4. Parking and Transportation does not require any portable showers, however in the event of an emergency or special event, VCU may request portable showers to be delivered depending on the size of the emergency and special event and VCU's needs at that time.

Question 5. On your price schedule you ask for a daily, weekly and monthly price. Will toilets be rented out as such or are you looking for a break down?

Answer 5. Parking and Transportation currently has two (2) full time portable toilets that are cleaned two (2) times per week. For these toilets we would want monthly pricing. VCU does require the other pricing to be provided in the case of an emergency or special event at VCU where additional portable toilets, sinks, or showers are required, VCU needs to know the pricing.

Question 6. How many days to deliver once the contract is awarded?

Answer 6. We would need the toilets the day the contract is awarded to become effective. We are aiming to have a new contract in place by 5/1/2021.

Question 7. Do you have a historic bid tabulation?

Answer 7. I do not have a bid tab for this as it was an RFP and not an IFB. There are many other factors than just price. The awarded price for the old contract can be found in eVA under the solicitation number 6258848JH, notice of award.

Question 8. How many calendar days do we have to set units after we get a call from VCU?

Answer 8. The response time is listed on page 5 of the RFP document.

Question 9. Do I respond back to you with the RFP from EVA once it's complete?

Answer 9. No. In the RFP there is an email address where you should send the proposals to. It is a VCU email specifically for proposal submission.

End of questions and answers.

Note: Additional questions will be received until 5:00 P.M. on 3/18/2021. All questions need to be emailed directly to me at tlhall2@vcu.edu. Do not contact any of the other VCU Representatives on the Conference Register. They will not be able to answer your questions directly.

- A. The intent and purpose of this Request for Proposals (RFP) is to solicit sealed proposals for one or more qualified sources for debris removal services (Lot 1) and portable toilet rentals (Lot 2) and construction waste/debris removal (Lot 3) for Virginia Commonwealth University (the lead issuing institution and hereafter referred to as “the University” or “VCU”), an agency of the Commonwealth of Virginia.
- B. Term: The initial contract term shall be one year(s), with the option of up to four (4) one-year renewals, to be exercised upon mutual signed agreement by authorized representatives of both parties.
- C. **COOPERATIVE PROCUREMENT**: It is the intent of this solicitation and resulting contract(s) to allow for cooperative procurement, at the Contractor’s discretion. Accordingly, any public body, public or private health or educational institution or lead-issuing institution's affiliated foundations may access any resulting contract(s) if authorized by the Contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor(s), the resultant contract(s) may be extended to the entities indicated in the above paragraph to purchase at contract prices in accordance with contract terms. Upon request, the Contractor shall notify the lead-issuing institution in writing of any entities accessing the contract. No modification of this contract or execution of a separate contract is required to participate. The Contractor shall provide usage reports for all entities accessing the Contract upon request. Participating entities shall place their own orders directly with the Contractor(s) and shall fully and independently administer their use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from the lead-issuing institution. The lead-issuing institution shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that the lead-issuing institution is not responsible for the acts or omissions of any entity, and will not be considered in default of the contract no matter the circumstances. Use of this contract(s) does not preclude any participating entity from using other contracts or competitive processes.

VCU is in no way required to make purchases from the Contractor and may in its sole discretion purchase the identical and/or similar goods/services from other sources. Any estimates/quantities contained herein do not represent a purchase commitment by VCU.

II. THE UNIVERSITY

Located on two downtown campuses in Richmond, VCU enrolls more than 31,000 students in 217 certificate and degree programs in the arts, sciences and humanities. Thirty-eight of the programs are unique in Virginia, and VCU is one of just 28 public universities with an academic medical center nationwide to receive Carnegie Foundation designations of “Highest Research Activity” and “Community Engaged.” As one of the nation’s top research universities, VCU attracts more than \$275 million a year in sponsored research funding.

The VCU Health brand represents the health sciences schools of VCU, the VCU Massey Cancer Center and the VCU Health System, which comprises VCU Medical Center (the only academic medical center and Level I trauma center in the region), Community Memorial Hospital, Children’s Hospital of Richmond at VCU, MCV Physicians (a practice of more than 750 physicians) and Virginia Premier Health Plan.

The University and its medical center are the largest-single employer in the Richmond area, with more than 22,000 employees, including more than 2,000 full-time instructional faculty — many of them nationally and internationally recognized in their fields. VCU’s total economic impact on Virginia is nearly \$6 billion, with more than \$3 billion in annual spending that supports more than 63,000 jobs.

VCU's 17 varsity sports compete at the NCAA Division I level as members of the Atlantic 10 Conference. In recent years, VCU has participated in NCAA Tournaments in men's and women's basketball, baseball, golf, men's soccer and men's and women's tennis, including the VCU men's basketball team's run to the Final Four in 2011.

IX. SMALL, WOMEN-OWNED, AND MINORITY-OWNED BUSINESS COMMITMENT (SWaM)

It is the policy of the Commonwealth of Virginia that 42% of its purchases be made from SWaM (Small, Women, and Minority-owned) businesses to contribute to the establishment, preservation, and strengthening of such businesses, and to encourage their participation in VCU procurement activities. The Commonwealth encourages Contractors to provide for the participation of small businesses and businesses owned by women and minorities through partnerships, joint ventures, subcontracts or other contractual opportunities.

Offerors must complete and submit Appendix I (see section XXV: Attachments) unless Offeror is currently a Department of Small Business and Supplier Diversity (DSBSD)-certified SWaM business. DSBSD-certified SWaM businesses must include their certification number on the coversheet of this RFP upon submission to VCU but are not required to complete Appendix I.

If Offeror is currently a DSBSD-certified SWaM business and is awarded a contract from this RFP, Offeror agrees to maintain such certification for the life of the contract (provided Offeror remains eligible). For assistance with SWaM certification, visit the DSBSD website at <http://www.sbsd.virginia.gov/>

If the awarded firm is not DSBSD certified but can qualify for certification under DSBSD guidelines, the awarded firm is strongly encouraged to apply for certification within 60 days after award of the contract. Eligibility will be determined by the DSBSD.

Use of Subcontractors: If the Offeror intends to use subcontractors to perform any portion of the work described in this RFP, the Offeror must clearly so state. VCU is placing an increased emphasis on its SWaM business program and is interested in identifying any potential opportunities that may be available to engage SWaM vendors to be certified by DSBSD through new or existing contracts. **Identify and list any such opportunities that your firm would commit to if awarded this Contract in Appendix I (Participation in VCU Procurement Transactions with Small Businesses and Businesses Owned by Women and Minorities).** The Offeror's response must include a description of

which portion(s) of the work will be subcontracted, and must include the names and addresses of potential subcontractors that are currently certified as SWaM businesses through DSBSD.

SWaM REPORTING AND DELIVERY REQUIREMENTS:

Unless the Contractor is a DSBSD-certified SWaM business, the Contractor shall submit quarterly reports on the direct involvement of DSBSD-certified SWaM Businesses (subcontractors) in the performance of the contract. The report shall specify the actual dollars spent to date with Small Businesses, Women-Owned Businesses, and Minority-Owned Businesses based upon the Contractor's commitment in Appendix I for utilization of certified SWaM businesses.

The Contractor shall provide this information quarterly to: swamreporting@vcu.edu

Failure to submit the required information shall be considered a contract compliance issue and will be addressed accordingly. In addition, failure to submit the required information may result in invoice payments being withheld until such time as the required information is provided, at VCU's discretion.

X. ADDENDA

- A. If this solicitation is amended by published addenda, then all terms and conditions which are not modified shall remain unchanged and effective.
- B. Offerors shall acknowledge receipt of any addendum to this solicitation by (1) signing and returning the addendum, or (2) by identifying the addendum number and date in the space provided on the Offer Form, or by (3) other written means of acknowledgement.

XI. PROPOSAL ACCEPTANCE PERIOD

Any proposal in response to this solicitation shall be valid for sixty (60) days. At the end of the sixty (60) days, the proposal may be withdrawn at the written request of the Offeror. Pursuant to the Code of Virginia §2.2-4342(F), VCU can withhold confidential information identified as proprietary, or as a trade secret, submitted by an Offeror in connection with a procurement transaction only if, prior to or at the time of submission of such information, the Offeror invokes the protections of §2.2-4342(F), identifies the information to be protected, and states the reasons why protection is necessary. To this end, when submitting proposals containing such information, Offerors must:

- A. Clearly denote on the cover page of the proposal that it contains proprietary information.
- B. Include as the first section of the proposal a written notice that identifies by section and page number the information to be protected as well as specific reasons why protection is necessary.
- C. Clearly denote by some distinct method, such as highlighting or underlining, the words, figures or paragraphs within the proposal identified in the written notice.

Failure to follow these instructions shall result in Offeror's full proposal being subject to public disclosure.

PLEASE NOTE: Offeror may not request that it's entire proposal, or pricing, or fees or total proposal cost be treated as trade secrets, proprietary or confidential information. The classification of an entire

Proposal document, or line item prices, or total Proposal prices as proprietary or trade secrets is not acceptable and, if Offeror does not promptly agree to withdraw this classification following submission, shall result in rejection and return of Proposal.

Section XIII shall apply to all documents submitted by Offeror/Contractor throughout the duration of any negotiations, contracts, renewals, and extensions resulting from this solicitation.

Formal communications shall be directed to the buyer listed on the solicitation cover sheet. Informal communications, including but not limited to requests for information or comments or speculations regarding this RFP to any University employee other than the buyer on the front of the solicitation cover sheet, may result in the rejection of the proposal from the non-compliant Offeror.

XVI. ORAL PRESENTATIONS

- A. Offerors who submit a proposal in response to this RFP may be required to conduct an oral presentation of their proposal to VCU. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. Oral presentations are an option and may or may not be conducted at VCU's sole discretion. Should an oral presentation be required, VCU will designate the date and location for the presentation; the date is critical and alternative dates will not be available. After the BAFO is submitted, no further negotiations shall be conducted with the Offeror (s). The Offeror(s) proposal will be re-evaluated to combine and include the information contained in the BAFO. The decision to award will be based on the final evaluation including the BAFO.

XVIII. QUALIFICATIONS OF OFFERORS

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to perform the services/furnish the goods and the Offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect the Offeror's physical facilities prior to award to satisfy questions regarding the Offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy the Commonwealth that such Offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

XIX. CANCELLATION OF SOLICITATION

The University may cancel this Request for Proposals or reject proposals at any time prior to an award and is not required to furnish a statement of the reason why a particular proposal was not deemed to be the most advantageous.

XXI. AWARD OF CONTRACT

- A. - C. The Commonwealth reserves the right to make multiple awards as a result of this solicitation.

Should the Commonwealth determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the Contractor's proposal as negotiated.
- E. Upon the award or the announcement of the decision to award a contract as a result of this solicitation, Virginia Commonwealth University will publicly post such notice electronically at <http://www.eva.virginia.gov> for a minimum of 10 (ten) days.

XXII. GENERAL TERMS AND CONDITIONS

- A. PURCHASING MANUAL: This solicitation is subject to the provisions of the Commonwealth of Virginia's Purchasing Manual for Institutions of Higher Education and their Vendors and any revisions thereto, which are hereby incorporated into this contract in their entirety. A copy of the manual is available for review at the purchasing office. In addition, the manual may be accessed electronically at <https://vascupp.org/hem.pdf>.

- B. APPLICABLE LAW AND COURTS: This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations. To the extent any provision of Contractor's Proposal, Quote, Statement of Work, Addenda, or other related documents is prohibited by Virginia law, or is otherwise not authorized by Virginia law, due to VCU's status as an agency of the Commonwealth of Virginia, such provision is null and void.
- C. ANTI-DISCRIMINATION: By submitting their proposals, Offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, the Virginians With Disabilities Act, the Americans With Disabilities Act and Section 2.2-4311 of the *Virginia Public Procurement Act*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1). In every contract over \$10,000 the provisions in 1. and 2. below apply:
1. During the performance of this contract, the Contractor agrees as follows:
 - a) Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. As such, the Contractor will not discriminate against any employee or applicant for employment because of age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability or any other basis prohibited by state law related to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
 - c) Notices, advertisements, and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
 2. The Contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000 so that the provisions will be binding upon each subcontractor or vendor who performs work relative to this RFP.
- D. ETHICS IN PUBLIC CONTRACTING: By submitting their proposals, Offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription,

advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

- E. IMMIGRATION REFORM AND CONTROL ACT OF 1986: By submitting their proposals, Offerors certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the Federal Immigration Reform and Control Act of 1986.
- F. DEBARMENT STATUS: By submitting their proposals, Offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.
- G. ANTITRUST: By entering into a contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.
- H. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS: Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.
- I. CLARIFICATION OF TERMS: If any prospective Offeror has questions about the specifications or other solicitation documents, the prospective Offeror should contact the buyer whose name appears on the face of the solicitation by the deadline for questions stated in this document. Any revisions to the solicitation will be made only by addendum issued by the buyer.
- J. PAYMENT:
 - 1. To Prime Contractor:
 - a) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number, and social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
 - b) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after receipt of invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
 - c) All goods or services provided under this contract or purchase order, that are to be paid with public funds, shall be billed by the Contractor at the contract price, regardless of which public agency is being billed.
 - d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

- e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors are put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

2. To Subcontractors:

- a) Contractor awarded a contract under this solicitation is hereby obligated:
 - (1) To pay the Subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the Subcontractor(s) under the contract; or
 - (2) To notify the agency and the Subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.
- b) The Contractor is obligated to pay the Subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in 2.(a) above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a Subcontractor may not be construed to be an obligation of the Commonwealth.

K. PRECEDENCE OF TERMS: Paragraphs A-J of these General Terms and Conditions shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

L. QUALIFICATIONS OF OFFERORS: The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to perform the services/furnish the goods and the Offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect Offeror's physical facilities prior to award to satisfy questions regarding the Offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy the Commonwealth that such Offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

M. TESTING AND INSPECTION: The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

- N. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.
- O. CHANGES TO THE CONTRACT: Changes can be made to the contract in any one of the following ways:
1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written contract to modify the scope of the contract.
 2. The Purchasing Agency may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:
 - a) By mutual contract between the parties in writing; or
 - b) By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the Contractor's records and/or to determine the correct number of units independently; or
 - c) By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia's Purchasing Manual for Institutions of Higher Education and Their Vendors. Neither the existence of a claim or a dispute resolution process, litigation or any other provision of this contract shall excuse the Contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.
- P. DEFAULT: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.
- Q. TAXES: Sales to the Commonwealth of Virginia are normally exempt from State sales tax, State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries

against this contract shall usually be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is 54-73-0076K.

- R. USE OF BRAND NAMES: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict Offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article, which the public body, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts, and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Unless the Offeror clearly indicates in its proposal that the product offered is an "equal" product, such proposal will be considered to offer the brand name product referenced in the solicitation.
- S. TRANSPORTATION AND PACKAGING: By submitting their proposals, all Offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.
- T. INSURANCE: By signing and submitting a proposal under this solicitation, the Offeror certifies that if awarded the contract, it will have the following insurance coverages at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The Offeror further certifies that the contractor and any subcontractors will maintain these insurance coverages during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission. Minimum Insurance Coverages and Limits Required for Most Contracts:
1. Worker's Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer.  2. Employers Liability - \$100,000.
 3. Commercial General Liability - \$1,000,000 per occurrence. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products, and completed operations coverage. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

W. NONDISCRIMINATION OF CONTRACTORS: A bidder, Offeror, or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, or against faith-based organizations or any other basis prohibited by state law relating to discrimination in employment. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

As applicable, federal law requires compliance with the following for all federal government contracts:

- S. PRODUCT INFORMATION: The Offeror shall clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the proposal to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. Failure to do so may cause the proposal to be considered nonresponsive.
- T. QUANTITIES: Quantities set forth in this solicitation are estimates only, and the Contractor shall supply at proposal prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.
- U. RENEWAL OF CONTRACT: This contract may be renewed by the Commonwealth upon mutual written contract of both parties for four (4) successive one (1) year periods under the terms and conditions of the original contract except as stated in #1 below. The estimate must include the labor category(ies), the Contractor's hourly rates specified in the contract, and the total material cost. Material and subcontractor costs shall be billed at the Contractor's actual invoice costs (Contractor shall furnish copies of all invoices for materials) or discount off the list price, whichever is specified in the contract. A work order will be issued to the Contractor, as the authority to proceed with the work, which will incorporate the Contractor's estimate and the terms and conditions of the contract. Z. POLICY OF EQUAL EMPLOYMENT: Virginia Commonwealth University is an equal opportunity/affirmative action employer. Women, minorities, and persons with disabilities are encouraged to apply. To that end and if agreeable with the Contractor, the following Colleges and Universities listed are the VASCUPP institutions and may have access to any contract resulting from this solicitation: College of William and Mary, University of Virginia, George Mason University, Virginia Military Institute, James Madison University, Old Dominion University, Virginia Polytechnic Institute & State University, Radford University, University of Mary Washington, and Longwood University. Upon written request from a VASCUPP institution, the Contractor may allow access to the contract. Although the University desires to provide access on such contract to VASCUPP, the Contractor is not required to provide such access. A Contractor's willingness to provide this access to VASCUPP members will not be a consideration in awarding this contract. Although the VASCUPP Agencies may have access to any resulting contract, VASCUPP is not bound to use the contract and any use of the contract is strictly optional.

If the VASCUPP institutions choose to access the contract and the Contractor agrees to such access, the terms and conditions of the contract will be in full force and effect as between the VASCUPP institutions and the Contractor. VCU will have no responsibility for the resolution of any contractual disputes, or for payment for services rendered which may arise from a VASCUPP institution accessing the contract. The Contractor understands and agrees that it shall not have any recourse against VCU with respect to any claim it may have against another VASCUPP institution that accessed this contract.

BB. GRAMM-LEACH-BLILEY ACT: The Contractor shall comply with the Act by implementing and maintaining appropriate safeguards to protect and prevent unauthorized release of student, faculty and staff nonpublic information. Nonpublic information is defined as social security numbers, or financial transactions, bank, credit, and tax information.

Specifically, Contractor shall ensure an investigation is conducted by a third-party vendor utilizing courthouse records and national databases to obtain records within the past seven (7) years. Convictions related to drugs, violence and/or sexual behavior are generally considered job related due to the nature of the VCU environment and the need to provide reasonable levels of protection for students, patients, employees, visitors, and institutional resources.

DD. IDENTIFICATION CARDS: All Contractor employees authorized to work at VCU, must obtain a VCU identification card. Information on obtaining a card is available at <http://vcucard.vcu.edu/>. Contractor's employees must wear their VCU identification when they are on VCU property.

PARTICIPATION IN STATE PROCUREMENT TRANSACTIONS SMALL BUSINESSES AND BUSINESSES OWNED BY WOMEN AND MINORITIES

The following definitions will be used in completing the information contained in this Appendix.

Definitions

- **Small business** is an independently owned and operated business which, together with affiliates, has 250 or fewer employees, or average annual gross receipts of \$10 million or less averaged over the previous three years. Nothing in this definition prevents a program, agency, institution or subdivision from complying with the qualification criteria of a specific state program or federal guideline to be in compliance with a federal grant or program.
- **Women-owned business** is a business concern which is at least 51 percent owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited liability company or other entity, at least 51 percent of the equity ownership interest in which is owned by one or more women, and whose management and daily business operations are controlled by one or more of such individuals.
- **Minority-owned business** is a business that is at least 51 percent owned by one or more minority individuals who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership, or limited liability company or other entity, at least 51 percent of the equity ownership interest in the corporation, partnership, or limited liability company or other entity is owned by one or more minority individuals who are U.S. citizens or legal resident aliens, and both the management and daily business operations are controlled by one or more minority individuals, or any historically black college or university, regardless of the percentage ownership by minority individuals or, in the case of a corporation, partnership, or limited liability company or other entity, the equity ownership interest in the corporation, partnership, or limited liability company or other entity. Minority Individual: "Minority" means a person who is a citizen of the United States or a legal resident alien and who satisfies one or more of the following definitions:
 - "Asian Americans" means all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands, including but not limited to Japan, China, Vietnam, Samoa, Laos, Cambodia, Taiwan, Northern Marinas, the Philippines, U. S. territory of the Pacific, India, Pakistan, Bangladesh and Sri Lanka and who are regarded as such by the community of which these persons claim to be a part.
 - "African Americans" means all persons having origins in any of the original peoples of Africa and who are regarded as such by the community of which these persons claim to be a part.
 - "Hispanic Americans" means all persons having origins in any of the Spanish speaking peoples of Mexico, South or Central America, or the Caribbean Islands or other Spanish or Portuguese cultures and who are regarded as such by the community of which these persons claim to be a part.
 - "Native Americans" means all persons having origins in any of the original peoples of North America and who are regarded as such by the community of which these persons claim to be a part or who are recognized by a tribal organization.
 - "Eskimos and Aleuts" means all persons having origins in any of the peoples of Northern Canada, Greenland, Alaska, and Eastern Siberia and who are regarded as such in the community of which these

persons claim to be a part.

- **Service Disabled Veterans:** Veterans who are small business owners can obtain Service Disabled Veteran-owned “status” in the SWaM vendor database. This is not a separate certification; it is a designation of those businesses that are owned by Service Disabled Veterans who are certified as such by the Virginia Department of Veteran Services. Veterans wishing to apply for service disabled veteran status must first seek eligibility certification from the Department of Veteran Services by calling (804) 786-0286 or visiting the DVS website at www.virginiaforveterans.com . Veterans can apply for small, women-owned or minority-owned certification with the Department of Small Business and Supplier Diversity before or after obtaining an eligibility certificate from DVS. Both services are available at no charge.
- **Disadvantaged Business Enterprise:** The Disadvantaged Business Enterprise (DBE) certification program is a Federal program. The purpose is to increase the participation of certified DBEs in projects funded by the US Department of Transportation and other federal sectors. Projects typically include heavy construction, such as building and designing roads, bridges, railroads, ports, and airports. The Program is governed by the U.S. Federal Regulations in 49 CFR Parts 26 and 23.
- **The Virginia Unified Certification Program** includes two certifying agencies:
 - The Department of Small Business and Supplier Diversity (DSBSD)
 - The Metropolitan Washington Airports Authority (MWAA)

There is no need to submit an application to both agencies. Federal DBE certification by either agency is fully accepted throughout Virginia.

If you plan to participate in the procurement process with one of the Commonwealth of Virginia’s state agencies that does not receive federal transportation funds, you need to apply for SWaM certification, not DBE certification. To apply for SWaM certification, please [click here](#).

- **Employment services organization (ESO):** is an organization that provides community-based employment services to individuals with disabilities that is an approved Commission on Accreditation of Rehabilitation Facilities (CARF) accredited vendor of the Department for Aging and Rehabilitative Services.
- **8a** is a SBA federal certification. If a firm provides documentation that they are certified as such they can participate in the SWaM program without any additional paperwork.
- **EDWOSB**-stands for economically disadvantaged woman owned small business. This too is a federal certification that is verified by WBENC. Again no additional paperwork is required other than the WBENC certification document.

LOT 1

- S B Cox has the equipment and personnel to handle large and complex debris removal projects. Traffic control is established through marking cones, barricades, signs and individuals directing traffic as needed. Typically, we remove and load debris using excavators, backhoes and skid steers. We will load the debris into demo trailers, dump trucks and roll-off containers depending upon the situation. S B Cox owns and operates both a licensed and permitted C&D landfill and recycling center in Richmond for debris disposal.

LOT 2

- S B Cox owns portable toilets manufactured by Satellite Industries. They are the Satellite Industries standard unit and meet the specified dimensions. Cleaning and emptying of the portable toilet is done by the same person at one time. The cleaner drives and operates a vacuum truck that is also equipped with a clean water supply tank. The toilet is pumped out, fresh water and chemical is added to the holding tank and the inside of the unit is sprayed down with clean water and sanitizer. The unit is then re-stocked with supplies.***We do not provide toilets with mirrors and we do not offer portable showers***

LOT 3

- **S B Cox owns and operates a construction and demolition debris recycling facility and landfill. We are able to recycle all of the items listed except brick, carpet, ceiling tiles and drywall. Tree limbs, brush, furniture and non-recyclable items would be taken to our landfill for disposal. Our roll-off containers are built by Northeast Industrial Manufacturing and are used to transport construction and demolition debris. Our recycling facility is able to provide a gross weight of the material that comes across our scales in our containers, but we are not able to give weights of different materials individually. A list of container weights and corresponding dates could be emailed to your representative on a monthly basis if requested.**
