Any additional fees that arise during the performance of the Contract shall only be paid if approved by the University prior to incurring such fees.

- E. **ADDITIONAL USERS OF CONTRACT:** It is the University's intent to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institution, or any University-related foundation (Additional Users) may access this Agreement if authorized by Selected Firm.

Although the University desires to provide access on such contract to Additional Users, the Contractor is not required to provide such access. A Contractor's willingness to provide this access to Additional Users, will not be a consideration in awarding this contract. Although the Additional Users have access to any resulting contract, Additional Users are not bound to use the contract and any use of the contract is strictly optional.

If the Additional Users choose to access the contract and the Contractor agrees to such access, the terms and conditions of the contract will be in full force and effect as between the Additional Users and the Contractor. If the Contractor is required to correct or replace, it shall be at no cost to the University and shall be subject to all provisions of this clause to the same extent as materials initially delivered.
