Procurement Process: RFP

Contract Summary: Virginia Commonwealth University issued a solicitation for qualified vendors to provide network cabling services to supplement the efforts of in-house staff with outside contractors. For projects valued at less than the VCU Departmental purchasing delegated authority (currently \$10,000), individual Cat 6e+UTP cable projects will be assigned to Contractors during the agreement term utilizing a rotational matrix. Contractors will be assigned individual projects by proceeding in alphabetical order.

Projects valued at greater than the VCU Departmental purchasing delegated authority (currently \$10,000), will be awarded as the result of a competitive bid process among the Contractors participating in the Term Agreement. Projects will be awarded to the lowest responsive and responsible bidder.

Cooperative Language: It is the intent of this solicitation and resulting contract(s) to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institution or lead-issuing institution's affiliated foundations may access any resulting contract(s) if authorized by the Contractor.

Note: Please reference the contract number on purchase requisitions, purchase orders, and when contacting the vendor.
