Nothing in this procedure will preclude either party from filing a claim in any court of the Commonwealth of Virginia to seek legal or equitable remedy if a dispute should arise, in addition to such other remedies as are expressly provided in this Agreement. Firm may not, however, file such claim unless and until it has complied fully with the procedure set forth in this provision.

After any necessary discussions and/or revisions, the University will issue a corresponding Purchase Order for a specified fee amount. This specified fee amount cannot be exceeded by the Firm unless a new formal written Purchase Order or Purchase Order revision is issued by the University authorizing a specific additional fee amount. Under no circumstances does the University authorize the Firm to provide the Goods and Services before receipt of a formal written Purchase Order corresponding to its proposal/quotation. If the Firm provides Goods and Services prior to receipt of a formal written Purchase Order, or incurs costs in excess of authorized purchase order fee amounts, it does so at its own risk.

These additional goods and services will be provided to the University at Favored Customer pricing.

Any additional fees that arise during the performance of the Agreement shall only be paid if approved by the University prior to incurring such fees.
- SS. **INDEMNIFICATION:** Firm agrees to indemnify, defend, and hold harmless VCU, the Commonwealth of Virginia, and their officers, employees and agents from any claim, damage, liability, injury, expense or loss, including defense costs and attorneys' fees, arising from Firm's negligence under this Agreement. Accordingly, VCU shall promptly notify Firm of any claim or action brought against VCU in connection with this Agreement. Upon such notification, and at the request and direction of VCU and/or the Office of the Attorney General, Firm will immediately defend any such claim or action pursuant to the provisions and requirements of Virginia Code § 2.2-514.

Firm shall use its reasonable efforts to prevent and protect Confidential Information from unauthorized use or disclosure, with at least the same degree of care that Firm uses to protect its own confidential and proprietary information, but in no event less than a reasonable degree of care under the circumstances. Each Party will only disclose the other Party's Confidential Information to its employees, consultants, or subcontractors only on a need-to-know basis, provided that such employees or subcontractors are subject to confidentiality obligations no less restrictive than those contained herein. Upon the completion of the services and upon request of VCU, Firm shall return all Confidential Information received in written format, including copies or reproductions or other media containing Confidential Information within seven (7) calendar days of such request.

- UU. **FERPA:** To the extent that VCU provides to the Firm any student information that is an “education record” protected by the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. §1232g, 34 C.F.R. Part 99, including a student’s address, email address or phone number, which is protected by the Code of Virginia § 23.1-405(C), VCU hereby designates Firm as a school official with a legitimate educational interest in the education records of the participating student(s) to the extent that access to VCU’s records is required by Firm to fulfill the obligations of this Agreement. Firm will (1) limit access to such information to only those employees or agents with a need to know it, (2) use the information only for the purpose for which it was disclosed, and (3) not disclose the information to any third party without the prior written authorization of the individual student. Further, Firm agrees to provide to the University, upon request, any information about a student.
- VV. **LICENSE REQUIREMENTS:** Certain statutes and regulatory agencies require that some Firms be properly registered and licensed, or hold a permit, prior to performing specific types of services. It is Firm’s responsibility to comply with the rules and regulations issued by the appropriate regulatory agencies, and possess and maintain the appropriate licenses if applicable for the Goods and/or Services to be provided under this Agreement. A copy of any such applicable license and/or permit must be furnished upon request to the University or VASCUPP member institution. For example, if Firm will be providing removal, repair, improvement, renovation or construction-type services they, or a qualified individual employed by the Firm, must possess and maintain an appropriate State of Virginia Class A, B, or C Contractor License (as required by applicable regulations and value of services to be performed) for the duration of this Agreement.
- WW. **FORCE MAJEURE:** Neither Party will be deemed in default or otherwise liable hereunder due to its inability to perform by reason of any fire, earthquake, flood, epidemic, accident, explosion, casualty, strike, lockout, labor controversy, riot, civil disturbance, governmental restrictions, act of public enemy, embargo, war, act of God, or any municipal, county, state, national or international ordinance or law or any executive, administrative, judicial or similar order, including orders from any governing body (which order is not the result of any act or omission to act which would constitute a default under this Agreement), or any failure or delay of any transportation, power, or other essential thing required, or similar causes beyond the Party’s control. Any delay in performance will be no greater than the event of force majeure causing the delay. If the delay or failure in the performance of the Party claiming Force Majeure continues for thirty (30) days or more, then the Party not claiming Force Majeure may terminate this Agreement by written notice to the other Party without penalty. Any funds paid will be reimbursed pro rata based on Services not provided.
- XX. **APPLICABLE LAW AND COURTS:** This Agreement shall be construed, governed, and interpreted pursuant to the laws of the Commonwealth of Virginia without regard to choice of law principles. The Parties agree that all disputes arising under this Agreement shall be brought in the state or federal courts located in Richmond, Virginia. To the extent any provision of the Agreement is prohibited by Virginia law, or is otherwise not authorized by Virginia law, due to VCU’s status as an agency of the Commonwealth of Virginia, such provision is null and void. Each party shall be responsible for its own legal fees and costs unless otherwise ordered by a court of law.
- YY. **FEDERAL TARIFFS:** In the event that a federal entity authorized by law, imposes an import duty or tariff (a “tariff”), on an imported good that results in an increase in Firm’s costs to a level that renders performance under the Agreement impracticable, VCU may agree, at its discretion, to an increase to the purchase price for the affected good. No increase in purchase price may exceed the actual tariff imposed on the goods imported or purchased by the Firm that are provided to VCU under this Agreement.
- A. Prior to VCU agreeing to a price increase pursuant to this provision, the Firm must provide to VCU the following documentation, all of which must be satisfactory to VCU:
- a) evidence demonstrating: (i) the unit price paid by Firm as of the date of award for the good or raw material used to furnish the goods to VCU under this Agreement, (ii) the applicability of the tariff to the specific good or raw material, and (iii) Firm’s payment of the increased import duty or tariff (either directly or through an increase to the cost paid for the good or raw material). The evidence submitted shall be sufficient in detail and content to allow VCU to verify that the tariff is the cause of the price change;

- b) a certification signed by Firm that it has made all reasonable efforts to obtain the good or the raw materials comprising the good procured by VCU at a lower cost from a different source located outside of the country against which the tariff has been imposed;
 - c) a certification signed by Firm that the documentation, statements, and any other evidence it submits in support of its request for a price increase under this Section are true and correct, and that the Firm would otherwise be unable to perform under this Agreement without such price increase; and
 - d) as requested by VCU, written instructions authorizing VCU to request additional documentation from Firm's suppliers to verify the information submitted by Firm.
- B. If VCU agrees to a price increase pursuant to this provision, the parties further agree to add the following terms to this Agreement:
- a) During the Term and for five (5) years after the termination of this Agreement, Firm shall retain, and VCU and its authorized representatives shall have the right to audit, examine, and make copies of, all of Firm's books, accounts, and other records related to this Agreement and Firm's costs for providing goods to VCU, including, but not limited to those kept by the Firm's agents, assigns, successors, and subcontractors.
 - b) Notwithstanding anything to the contrary in this Agreement, VCU shall have the right to terminate this Agreement for VCU's convenience upon 15 days' written notice to Firm.

In the event the import duty or tariff is repealed or reduced prior to termination of this Agreement, the increase in VCU's contract price shall be reduced by the same amount and adjusted accordingly.

Any material misrepresentation made or caused to be made by a Firm, increasing the price and/or costs in a payment obligation due from the University, may be deemed fraud under the law, including by not limited to the Virginia Fraud Against Taxpayers Act, and such misrepresentation may be subject to penalties and damages.

AAA. PAYMENT TERMS UNIVERSAL APPLICATION: Firm acknowledges and agrees that the payment method agreed to under this Agreement shall apply to all invoices and payments related to this Agreement and any other current or future agreements, purchase orders, or transactions involving the same Firm, regardless of remit-to address or locations. If VCU and Firm execute multiple agreements with different payment methods specified, VCU may, in its sole discretion, select and apply one preferred payment method across all such agreements and associated transactions for consistency and administrative efficiency. VCU may update the payment method in the Firm's vendor file without further notice.

Any Firm-requested changes must be submitted in writing and are subject to approval by the Office of Procurement Services. Firm may, at any time, upgrade to either the Virtual Card or Premium ACH (Paymode-X) payment method by coordinating with Bank of America or Paymode-X. These upgrades do not require an amendment to the Agreement but VCU reserves the right to reject or deny a change deemed not in the best interest of the University.

BBB. MODIFICATION OF THE AGREEMENT:

1. The parties may agree to modify the scope of the Agreement. An increase or decrease in the price of the Agreement resulting from such modification shall be agreed by the parties as a part of their written Agreement to modify the scope of the Agreement.
2. The Purchasing Agency may order changes within the general scope of the Agreement at any time by written notice to the Firm. Changes within the scope of the Agreement include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Firm shall comply with the notice upon receipt. The Firm shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings.
3. Material, substantive modifications, changes, and amendments to the Agreement must be in a writing executed by authorized representatives of each party.

CCC. TERMINATION OF AGREEMENT:

1. Either Party may terminate this Agreement if the other Party materially breaches this Agreement and such

breach is not cured within thirty (30) days after written notice to the breaching Party.

2. University reserves the right to terminate this Agreement, in part or in whole, without penalty, upon sixty (60) days written notice to the Firm.
3. Either Party may terminate this Agreement after the initial twelve (12) months of this Agreement upon sixty (60) days written notice to the other Party.

DDD. **ENTIRE AGREEMENT:** This is the entire agreement between the University (including University employees and other End Users) and Firm. The Agreement shall not be assignable by Firm in whole or in part without the written consent of the University. In the event that Firm enters into terms of use agreements or other agreements or understanding, whether electronic, click-through, verbal or in writing, with University employees or other End Users, such agreements shall be null, void and without effect, and the terms of this Agreement shall apply. This Agreement may be executed in counterparts, each of which will be deemed an original, and both of which taken together will constitute one and the same document. Electronically transmitted signatures will be deemed originals for all purposes relating to the agreement.
