Installation of hardware, software, or peripheral devices used for nonvisual access is not required when the Technology is being used exclusively by individuals who are not blind or visually impaired, but applications programs and underlying operating systems (including the format of the data) used for the manipulation and presentation of information shall permit the installation and effective use of nonvisual access software and peripheral devices.

If requested, the Firm must provide a detailed explanation of how compliance with the foregoing nonvisual access standards is achieved and a validation of concept demonstration. The requirements of this Paragraph shall be

construed to achieve full compliance with the Information Technology Access Act, *Virginia Code* §§ 2.2-3500 through 2.2-3504.

The University's procedure for deciding such contractual claims is:

1. Firm must provide the written claim to:
 Assistant Director of Purchasing
 Virginia Commonwealth University
 Office of Procurement Services
 912 West Grace Street
 Box 980327
 Richmond, Virginia 23298
1. 2. Upon receiving the written claim, the Assistant Director of Purchasing will review the written materials relating to the claim and decide whether to discuss the merits of the claim with Firm. If such discussion is to be held, the Executive Director of Procurement Services will contact Firm and arrange such discussion. The manner of conducting such discussion will be as the Executive Director of Procurement Services and the Firm mutually agree.
6. The Executive Director of Procurement Services will mail his or her decision to Firm within 60 days after the receipt of the appeal. The decision will state the reasons for granting or denying the appeal.

Nothing in this procedure will preclude either party from filing a claim in any court of the Commonwealth of Virginia to seek legal or equitable remedy if a dispute should arise, in addition to such other remedies as are expressly provided in this Agreement. Firm may not, however, file such claim unless and until it has complied fully with the procedure set forth in this provision.

- R. **ARBITRATION:** Neither Party shall be compelled to agree to any form of binding alternative dispute resolution, but may request and/or opt to participate in non-binding alternative dispute resolution in its sole discretion.

- S. **PURCHASING MANUAL.** This Agreement is subject to the provisions of the Commonwealth of [Virginia Purchasing Manual for Institutions of Higher Education and Their Vendors](#) (*Purchasing Manual*) and any subsequent revisions, which is available on Procurement and Supplier Diversity Services website at: <https://vascupp.org/sites/vascupp/files/2020-09/hem.pdf>.

If this is a cooperative procurement, this clause shall apply to orders placed by VCU only.
- U. **ORDERING PROCESS.** The University does not place verbal orders for Goods and Services. The University may only place orders for the Goods and Services by issuing a formal written Purchase Order in advance of Firm's provision of the Goods and Services. Accordingly, at the University's request, the Firm will issue a proposal/quotation listing the Goods and Services desired by the University and the corresponding fees and/or fee estimates. After any necessary discussions and/or revisions, the University will issue a corresponding Purchase Order for a specified fee amount. This specified fee amount cannot be exceeded by the Firm unless a new formal written Purchase Order or Purchase Order revision is issued by the University authorizing a specific additional fee amount. Under no circumstances does the University authorize the Firm to provide the Goods and Services before receipt of a formal written Purchase Order corresponding to its proposal/quotation. If the Firm provides Goods and Services prior to receipt of a formal written Purchase Order, or incurs costs in excess of authorized purchase order fee amounts, it does so at its own risk.
- V. **eVA REGISTRATION:** The eVA Internet electronic procurement solution is the Commonwealth of Virginia's comprehensive electronic procurement system. The portal, found at www.eva.virginia.gov, is a gateway for Firms to conduct business with state agencies and public bodies. - Firm shall be responsible for the security of its eVA account, including restricting access to it, maintaining the confidentiality of login information, and taking any other actions necessary to protect the security of Firm's account. VCU will not be responsible for a third party's fraudulent collection of VCU payments due to Firm's failure to update or protect its account information.
- W. **eVA FEES:** Unless the procured services are exempt pursuant to eVA standard, Firm will be subject to an eVA transaction fee, for which Firm will be invoiced by Commonwealth of Virginia, Department of General Services. Firm's failure to provide SBSB reports on a quarterly basis which contain the information required by this section and/or Firm's failure to comply with the plan for utilizing SBSB businesses submitted by Firm as part of its proposal and/or negotiation response may be grounds for debarment pursuant to Section 9(G)(4) of the [Purchasing Manual](#).

- Y. **FEDERAL PROVISIONS:** For Contracts funded by a U.S. Government grant or contract, the following provisions found in [Appendix II of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule \(2 CFR Part 200, et al\)](#) shall be incorporated and made a part of this Contract.

- CC. **COOPERATIVE PROCUREMENT / USE OF AGREEMENT BY THIRD PARTIES:** It is the University's intent to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institution, or any University-related foundation (Additional Users) may access this Agreement if authorized by Firm.

To that end and if agreeable with the Firm, upon written request from Additional Users the Firm may allow access to the contract. Although the University desires to provide access on such contract to Additional Users, the Firm is not required to provide such access. A Firm's willingness to provide this access to Additional Users, will not be a consideration in awarding this contract. Although the Additional Users have access to any resulting contract, Additional Users are not bound to use the contract and any use of the contract is strictly optional. If the Additional Users choose to access the contract and the Firm agrees to such access, the terms and conditions of the contract will be in full force and effect as between the Additional Users and the Firm. VCU will have no responsibility for the resolution of any contractual disputes, or for payment for services rendered which may arise from an Additional User accessing the contract. The Firm understands and agrees that it shall not have any recourse against VCU with respect to any claim it may have against another Additional User that accessed this contract.

 - b) Notwithstanding anything to the contrary in this Agreement, VCU shall have the right to terminate this Agreement for VCU's convenience upon 15 days' written notice to Firm.

In the event the import duty or tariff is repealed or reduced prior to termination of this Agreement, the increase in VCU's contract price shall be reduced by the same amount and adjusted accordingly.

Any material misrepresentation made or caused to be made by a Firm, increasing the price and/or costs in a payment obligation due from the University, may be deemed fraud under the law, including by not limited to the Virginia Fraud Against Taxpayers Act, and such misrepresentation may be subject to penalties and damages.
